Remarks

This second-floor condo in Palma Sola Bay Club offers a peaceful, private setting with preserve views and a subtle glimpse of Palma Sola Bay. The three bedroom, two and a half bath floor plan spans more than 1,800 square feet and includes two balconies, tile flooring throughout, and is being offered turnkey furnished. The open living and dining space provides plenty of room for everyday living or hosting guests, while the split bedroom layout offers privacy for owners and visitors alike. Additional conveniences include two reserved parking spaces under the building and a separate storage area. Palma Sola Bay Club is a Key West-style gated community just off the bay, known for its well-kept grounds and thoughtful amenities. Residents enjoy a pool, fitness center, clubhouse with billiards, sunset dock with kayak launch, lakeside walking paths, putting green, and dog park. Located in West Bradenton, the community is just a short drive to Anna Maria Island beaches, Robinson Preserve, De Soto National Memorial, and a variety of local shopping and dining. A well-positioned residence that pairs a private setting with the ease of condo living.
